

### SPRITE and MIDGET RACING and COMPETITION CAR REGISTER

This register has the purpose of establishing the whereabouts and the history of the many competition Sprites and Midgets. Although this register is administered and maintained by the Midget Register of the MG Car Club, it is hoped that all owners of competition Spridgets will want to assist by registering their cars. Membership of MG Car Club is not required

For the purposes of this register, the loose definition of a competition Spridget is any car which has been purposely built for racing or other speed events, or, has been extensively modified for those purposes, or is a variation on the Spridget theme such as Sebring, Lenham, WSM etc.

The registrar is:- Stephen Luscombe, "Crofters ", 24, Little London, Heytesbury, Wiltshire, BA 12 OES Tel: 01985 840830 Email: [sluscombe@hotmail.co.uk](mailto:sluscombe@hotmail.co.uk)
